The Kilnamanagh-Castleview Justice Group was established in 2008. The mission of the group is to promote justice in the world. It is founded on the belief that Christianity in order to be authentic and real must be involved in striving to make our world a better place. Jesus when he was here on earth showed himself to have a preferential option for the poor. To this end our group raise money for charities in Haiti, Nepal and the Tallaght Homeless (Focus Ireland).

Net Income for 2018 €7502

Distributed to Charities €4000

Money distributed to Tallaght Homeless € 2000

Money distributed to Haiti € 2000

Money on hold for Nepal € 2000

Many thanks to all
